

Simply Technology – ReachUC App Login

1. Go to your favorite App store (iPhone or Android)
2. Search for **ReachUC**
3. Download the App
4. Once at the login screen, the username is Extension#@CompanyCode, like (101@SIM)
5. The password is your voicemail PIN – Screen will look like below

6. Accept all the prompts

7. Once logged in, you can make and receive calls as normal. If you would like your mobile phone to ring as part of a ring group that your desk phone does, please send an email to support@simplytechnology.com to add this for you.
